Introducing the Snowflake Invitational Tournament

Our first in-house tournament will be accepting players as of January 30. Here are the details:

- A. Please indicate your interest in being in the tournament by responding to Whoozin Invitations - Yes or No responses are most helpful in our planning.
- B. Limited Capacity: There are 2 tournaments being offered each with limited space depending on number of interested players.
- C. In the case of more players desiring to play than there are spaces, all players will be entered in a lottery draw to determine who makes up the final player list. Final lists will be sorted out after sign up deadline - **which is Feb 10**. Don't worry more tournaments will be planned going forward.
- D. Format will be Double Round Robin. First Round Robin based on a random draw of players will play approximately 5-6 games which sets the stage for the Second Round Robin. The Second Round Robin will be split into two smaller groups who will play off against each other based on points from the first round robin.
- E. Please be aware that the tournament could last up to four hours although there will be byes when players are not playing.
- F. Invitations are sent out with a priority on those members who are currently active and playing in the club.
- G. All are welcome to attend along with spouses / friends whom you wish to invite to watch the action and cheer on the participants.
- H. Prizes will be awarded to top players and all participants will receive a Meaford Pickleball Club tournament memento.
- I. The purpose of the Snowflake Invitational is to offer a fun and friendly pickleball tournament where our love for the game can be on display.

Thanks for being a part of the Meaford Pickleball Club!
