Our New Website

We are targeting the launch of our Club website sometime in January. We will send out a notice when it goes live - be sure to check it out.

The Pavilion Courts 2021

We have a meeting with the Town in January to discuss plans for next summer. They include adding a third court and some drainage work to make it easier to keep the courts dry.

Pickleball Ontario

Our plan for the future is to ask all MPC members to join Pickleball Ontario as members too. This provides insurance coverage for you as an individual as you play. Many clubs are making it a part of their membership strategy.

Indoor PB in 2021?

The Executive is taking a "wait and see" approach as we move into the new year. It all depends - we'll keep you posted.

2021 Rule Changes

Just announced are some rule changes for pickleball by the International Federation of Pickleball. Watch for serving off the bounce and no more serve lets to highlight 2 of the changes.

This is my (Brian B) grandson, Zion, who is wearing my hand knit sweater and hat my Mom made me when I was his age! It's now over 60 years old, wow!

Santa apparently had his helpers lay down a pickleball court for him this year.
Nice touch Santa!
