

MPC DROPSHOT NEWS

May 21, 2021 Edition

Dropping News from the Meaford Pickleball Club into Your Kitchen!

Drop Shots!

Start up date: June 7

Given the addition of a third court and repairs to the surface we are targeting June 7 as our start date. That's just 16 days away! Yahoo! Assuming the weather cooperates and everything is ready to go we'll play outdoors for 3-4 weeks before we add in the arena location as needed. We'll keep you updated.

Court Hosting

We want to provide some basic orientation for hosting and set up a schedule. Susan Pearson will be in touch with you with more details. Since we hope to add play at the arena, we will need more court hosts. Susan would prefer contact via the phone - 519-465-5177. Thanks!

Summer Hours

Once we get a feel for how many want to play this summer both outdoors and indoors we can firm up a schedule. Harbour court times will be day time only, (Mon-Sat) as we don't have permission to play past 4:30 pm at this point.

MPC Hats on Order!

First MPC merch is our drawstring bags - next is our hats. Should be here mid June.

MPC email address:
meafordpb@gmail.com

**Join MPC now
and receive this
free bag!**

**All members including
those who signed up
already will get a bag.**

We Can Play!

The following are the arrangements we are implementing for starting pickleball up again.

1. The Tennis Courts will be open as of May 22. We will not be offering PB sponsored by MPC at the Tennis Courts. It's your choice to play there and you will need your own balls / paddles. Please note maximum 5 players. (Our understanding is that only singles games are within the provincial guidelines at this time.)
2. Play at the Harbour Pavilion Courts will be run under our auspices. Singles games only - 2 people per court. Max of 5 players permitted.
3. M - W - F & Sat morning sessions offered. 75 minutes each.
4. Session Times 1) 9:00 - 10:15 a.m., 2) 10:30 - 11:45 a.m. More days and times up to 4:30 pm may be added.
5. Ezin Sign Up system will be used. A club wide invitation will be sent out to all members - first come, first served for singles play.
6. Due to size limitations - one session per week per member unless the sessions are not full.
7. Preference on Saturdays will be given to those who are unable to play on weekdays due to work commitments.
8. All players must be members of MPC for club sanctioned play (ie Harbour Crt) having signed up on our website and paid fees in full.
9. Our target date to start playing at the Harbour Courts is **June 7** to begin offering singles. However, this is dependent on getting the courts ready. We will confirm that date going forward.
10. For new players - instructional sessions may be possible - more details to come.
11. Doubles play will begin once provincial restrictions are adjusted.
12. Questions? - please send us an email at meafordpb@gmail.com.

Reminder! Reminder!

**All players will need to be members before you
will be permitted to play at Club games. Join the
Club at www.meafordpb.ca through PCNS.**
