This Week's Announcements:

- New Session Added:** We're adding one more morning of play - Thursdays - 9 - 11 a.m. begins June 24.
- Limits to capacities:** We are still at 10 per session and Singles Only play. Please only sign up for 1 or 2 games next week to allow for as many as possible who want to play. If you sign up for a game please consider not playing again the next day. See side bar for days and times.
- Tuesdays "Learn to Play" Sessions** are one hour 9:00 am, 10:30 am and 1 pm. All new players (from your description of your experience when you joined) will be invited to sign up for one of these sessions - maximum 6 per session via Ezin.
- Vacation:** FYI - Brian Bell is away on vacation June 26 - July 10.
- Court Hosting:** In order to add more time slots we could use some more help with Court Hosting which sets up the nets etc and manages the games. If you are interested please call or email Susan Pearson at (519) 465-5177 - susan1947pearson@hotmail.com. Thanks!
- Categories of Play:** We do plan to begin to offer various game settings when we have more capacity and can play doubles - times like Men's, Women's, Intermediate, and Open Play, etc. Stay tuned during month of July.
- For Ezin help,** be sure to look up the Ezin page on our website for detailed instructions on getting signed up and managing invites. Please check your spam/junk mail too for emails.
- Pickle Passes:** To simplify accounting and administration, we have decided to stop selling PP just now and track your attendance at sessions and invoice you later in the season - \$2.00 per session. We may introduce the passes again later but any passes that you have purchased are still valid until used up.
